

Young Adults

Fall /Winter 2025 Events

Hi everyone,

I'm excited to let you know we're launching a new Bible study for young adults called "Faith in a Complex World." We'll explore how our faith connects with some of the big questions and challenges we face in today's world—things like identity, justice, mental health, and what it means to follow Jesus in real life. And best part, it's a little shorter and more mobile, so we are not limited to the church!

We'll start September 21st and you're welcome to come just as you are. Bring your questions, your curiosity! It's a safe space to grow in faith and community.

Let me know if you're in, or if you have questions! -Marissa

If dates don't work, let me know and we can figure something out. OR if you have an idea of something to do instead of an activity I picked. I'm cool with it! We'll have more backup plans this year, so if it rains, we'll change to something indoors and such!
