Prayer & Praise

**So do not fear, for I am with you;
do not be dismayed, for I am your God.
I will strengthen you and help you;
I will uphold you with my righteous right hand.
Isaiah 41:10**

Many of our prayers are publicly unspoken yet we have confidence that God hears them. Pray for the presence of the Holy Spirit to surround us as we navigate difficult relationships, care for our elderly loved ones, support friends and family members who are ill, and encourage those around us who question their faith. Pray that our actions and words will be, above all, Christlike.

Praise that Leo was discharged on Wednesday. Julie says *"We are very grateful to be going home. One of his blood levels has trended lower lately, they think due to medication being absorbed differently through his new J tube. So please pray that these levels start to climb. Thank you for your prayers."*

Pray for Lu and her family after the death of her brother, Greg. This death comes very shortly after the passing of her mom three weeks ago. Pray for Lu as she heads to Edmonton to be with family and as they remember her mom and Greg. Pray for Greg's wife, Debbie, as she processes the sudden absence of Greg, which has also occurred close to the death of her father. May they all experience the peace of Jesus as they walk in the valley of the shadow of death.

Give thanks that Christina Sim's dad has recovered from his bleeding and been discharged from hospital. He has been able to restart his medications and now awaits an appointment for his diverticulitis. Pray that he continues to regain his strength.

Pray for Christina Sim's aunt Susan. *"Her MRI showed that her tumour didn't grow & more radiation will not shrink it. Her balance will not recover unless they remove the tumour. The doctor does not recommend another brain surgery as he believes she won't survive the procedure... She is always cheerful. She has faith & knows that she is blessed. We do hope she can visit again when the situation gets better."*

Thank you for your prayers for Lu and her family. *"We are filled with sorrow after our mom, grandma, and great grandma passed away. We look now to sharing in the joyful memories and humorous antics of our mom later this month. I have great confidence that Jesus' presence is truly upon all of us."*

Pray for Olivia, Sunil and their family as they mourn the passing of their son Emanuel. The family is feeling grateful to God for his faithfulness, his timing and the promise of his everlasting presence. Olivia and Sunil were able to hold Emanuel for nearly an hour and he was baptized before he passed.

Pray for Dominique, Jean West's daughter, who has now completed her addictions treatment program. *"Pray that she continues her sobriety as she returns home to Takla BC."*

Prayer & Praise (*continued*)

Praise that Hilda Kerkoff is once again joining us on Sundays and Tuesdays for our Seniors gathering. Pray for continued patience and perseverance as her strength and independence increases.

Praise that Elizabeth Knecht was able to join us for our Seniors Easter Luncheon this week! What a blessing to see her surrounded by friends who gathered together to share a meal, prayer and worship.

Praise that Fernando DeGuzman' hip replacement surgery was successful and he is recovering well. What a blessing to see Fernando up and walking around and joining us again on Sundays!

Praise that Melissa Grandbois has started her new job at Jordan's Principle, an organization that ensures that First Nations children do not face gaps, delays, or denials in accessing government services because of their identity as First Nations children. Praise that Melissa now works for an organization that has helped her family immensely over the years. Praise also for the financial grounding this job gives her family.

Praise that Maariah Ramsey was finally able to start her new job last week after a delay when she broke her wrist. "My wrist is healing nicely. I have been going to hand therapy and my next appointment with the doctor will be on Friday. I'm so grateful to everyone for keeping me in their prayers and sharing their kind words."

Pray for Carley, Cindy and Tanya Favell's daughter and sister. Carley's leg infection continues to be a challenge though thankfully at this time, antibiotics are working. Pray for a more long term solution and for continued wellness for Carley. Pray also for Cindy, devoted mother and caregiver.

Pray for those who have long-term health issues including Jeanne Scarpitti, Jonn Jantzen, Réniaa Thompson, Joyce Collins, Lisa Palmer, Andre (Stephanie Munn's brother), Jean West & Family; Young Person with mental health challenges; Stacey Gleddiesmith; Butch (Brenda Rubuliak's brother); Elizabeth Knecht; Mike Matson; Trudi Alves; Katrina Jantzen; Elvira Boneham; Stephanie Munn; Gerry Breukelman; and Bill (Arelene's husband).

Pray for our MB missionary, Joan Godard, working in Canada. Pray for Joan's role in Member Care Wisdom in caring for global workers and for the spiritual and mental well-being for those in regions hostile to the Gospel.

We also pray for the many unspoken needs among us.
